

State agency on deficiencies cited in a formal warning, FCS shall notify the State, with a copy to the ITO, that the warning for those deficiencies is satisfied.

(d) *Determination of failure and sanctions.* If at any time after the formal warning period, or during or after the corrective action period, FCS determines that major deficiencies still exist which the State agency has not satisfactorily addressed or is not satisfactorily addressing, FCS shall determine State failure and may impose appropriate Federal sanctions on the State agency as specified in part 276.

(e) *ITO operations.* If FCS has determined State failure and FCS has also determined that the ITO is capable of administering a Food Stamp Program in accordance with the terms and requirements for participating State agencies as established in the Act and regulations, then the ITO shall assume administration of the Food Stamp Program on the reservation. The State agency shall continue to administer the Food Stamp Program on the reservation until an effective termination and transition arrangement has been completed in accordance with § 281.8.

§ 281.4 Determining Indian tribal organization capability.

(a) *Determining capability of ITO.* If the ITO wishes to administer its own Food Stamp Program on the reservation FCS shall determine the ITO's potential capability for administering the Food Stamp Program in accordance with the criteria listed in § 281.4(b). FCS shall begin to evaluate the ITO's capability for all aspects of Food Stamp Program administration, allowing for fulfillment of that potential through necessary training and technical assistance, not later than the date of the issuance of the formal warning to the State agency.

(b) *ITO responsibility.* (1) The ITO must satisfy FCS that it is capable (if provided with any needed training and technical assistance) of administering the Food Stamp Program effectively and efficiently, and of complying with all provisions of the Food Stamp Act of 1977, as amended, and the regulations of this chapter, including provisions governing quality control procedures,

fraud determinations, and establishment and collection of claims for both Indian and any non-Indian participants. The ITO shall provide FCS with the following information:

(i) *Operation of government programs.* The ITO shall provide FCS a list of all government programs that the ITO administers and has recently administered. FCS may ask the ITO to provide the names of appropriate officials of the government organizations having jurisdiction over these programs so FCS can obtain all relevant audits, GAO reports, program evaluations and any other documents pertaining to the effectiveness and efficiency of tribal administration of these programs. The ITO shall also provide FCS a list of its recent contractual responsibilities, if any, for the Food Stamp Program under § 281.2(b).

(ii) *Fiscal capabilities.* The ITO shall provide FCS documentation of its bookkeeping and accounting procedures, including procedures in use for fiscal accountability under part 277 and for other government programs that the ITO administers.

(iii) *Projected certification and issuance facilities.* The ITO shall provide FCS with a description of the location of projected certification and issuance facilities.

(iv) *Fraud hearings and claims.* The ITO shall provide FCS with a description of how it will pursue fraud hearings and claims against Indian and non-Indian participants.

(v) *Staffing.* The ITO shall provide FCS with sufficient information to determine that personnel who will be used in the certification process will be employed under standards equivalent to current standards for a Merit System of Personnel Administration or any standards later prescribed by the Office of Personnel Management under section 208 of the Intergovernmental Personnel Act of 1970.

(vi) *Civil rights assurance.* The ITO shall provide FCS an assurance that the ITO shall comply with Title VI of the Civil Rights Act of 1964 (Pub. L. 88–352), the Age Discrimination Act of 1975 (Pub. L. 94–135), the Rehabilitation Act of 1973 (Pub. L. 99–112), section 504, and section 11(c) of the Food Stamp Act of

1977 and all pertinent regulations or directives to the effect that no person in the United States shall, on the grounds of sex, race, color, age, political belief, religion, handicap, or national origin, be denied benefits or otherwise be subject to discrimination under the Food Stamp Program. Where appropriate, FCS shall consider the adequacy of measures taken by the ITO to ensure that there shall be no discrimination.

(2) Prior to the determination of ITO capability, FCS shall consult with other sources such as the Bureau of Indian Affairs (BIA) to obtain any information relevant to the capability determination.

(3) If it is determined by FCS, after consultation with other sources such as the BIA, that the ITO is not capable of operating an efficient and effective Food Stamp Program, the agency of the State government shall continue to operate the Program on the reservation in accordance with § 281.3.

(c) *Training and technical assistance.* Upon determining that the State agency has failed to properly administer the Food Stamp Program and that the ITO is potentially capable of operating an effective and efficient Food Stamp Program, FCS shall determine, based on information provided by the ITO and other sources such as BIA, the training and technical assistance which is necessary to assure efficient and effective program administration. FCS will assure that appropriate training and technical assistance is provided as expeditiously as possible prior to the ITO's assumption of the administration of the Food Stamp Program.

(d) *Assumption of duties.* When FCS is satisfied that the ITO has successfully completed (c) of this section, FCS shall designate the ITO as a State agency, contingent on the following:

(1) *State plans.* The ITO shall prepare and submit to FCS a Plan of Operation as provided in § 272.2. In completing the Plan of Operation the ITO shall affirm that it will comply with the Civil Rights assurances detailed in (b)(1)(vi) of this section.

(2) *Proposed budget.* As part of the Plan of Operation, the ITO shall annually submit to FCS a proposed statement which shall provide a summary of program information and amounts

budgeted to carry out the various program functions. This information shall be submitted to FCS for approval prior to the commitment of any Federal funds for administrative costs for that year. FCS shall provide the ITO any technical assistance which is necessary to prepare this information.

(3) *Termination and transition arrangement.* An effective termination and transition arrangement shall be established as required in § 281.8.

§ 281.5 Responsibilities of an Indian tribal organization designated as State agency.

An ITO administering the Food Stamp Program on a reservation shall adhere to the Food Stamp Act of 1977, all subsequent amendments, and all regulations issued pursuant to that law in the same manner as any other State agency. The ITO may contract certain administrative functions to private organizations as provided in parts 274 and 277. The ITO may not, however, contract responsibility for certification activities such as interviews or eligibility determinations. The ITO shall retain full responsibility for program administration.

§ 281.6 Liabilities and sanctions.

An ITO administering the Food Stamp Program on a reservation is subject to the same liabilities and Federal sanctions as is any other State agency. FCS shall monitor administration of the Program and conduct reviews through the Performance Reporting System described in part 275. When necessary, warning procedures and other Federal sanctions prescribed in part 276 will be implemented.

§ 281.7 Indian tribal organization failure.

When Performance Reporting System reviews indicate that continuing deficiencies exist and corrective action proposals (including training and technical assistance to overcome these deficiencies), and/or appropriate sanctions have not, in the opinion of FCS, resulted in a sufficient degree of improvement, FCS will conduct a review to determine if the ITO has failed to properly administer the Food Stamp
